Kawartha Lakes Flying Club Meeting Minutes September 14th, 2016

- (1) Bob welcomed everybody to our September KLFC meeting.
Any new faces? Mike Wilson a friend of Bill Fry's was present.
Mike volunteered at C4K'd. Rob Sproat a pass member also helped in C4K's and resigned as a member. Cheryl Marek Southern Ontario Region COPA Director was present.
- (2) Nothing to discuss from last August 17 C4k's meeting in hangar?
- (3) Financial Statement? What did C4K's cost? About \$1900 total.
We will lower costs next year.
- (4) August 27th C4K's very successful 138 kids flew 16 pilots and 35 additional volunteers. Thank you volunteers. Thank you to Mary Baldwin for washing all the t-shirts and folding them ready to go for another year.
- (5) Executive meeting and members came up with suggestions to improve C4K's : We couldn't decide on all these items tonight and if anyone has any more idea's please let us know. (a) Gary Johnson: suggested changing 3-minute interval for take off separation for most planes to 2 Minutes. (b) Do not load kids too soon for comfort of kids and pilot. Landing lights should be on. (c) Flavelle suggested a load manager. (d) We saw kids getting out of planes with no help, pilots should tell kids to wait for help. (e) Michelle Woodhead suggested having three registration time periods, 9am to 11am, 11am to 1pm and 1pm to 3pm. This would spread kids out better and keep the flow going. There would not be a complete stop from 12PM to 1PM. (f) Unicom needs to be

better, pilots could not hear everything, maybe use office Unicom.

(g) Next year Chris will talk more about overshooting and back tracking in more detail. (h) Should we feed the kids? Costs are up. (i) Al Darling suggested that we check out Buttonville's method of loading kids with no pushers. We will see if this is feasible at CNF4. (j) We need to ask Ingrid 2-3 days before C4K's to cone of plane parking area in front of parent viewing area. (K) We had a setup that could have flown 200 kids we had too many no shows, mention on web site to tell us as soon as possible if you can not make it to the event. Over book 25%. Have a waiting list.

(L) We will have to decide when to have our C4K's next year at a later date.

- (6) Showed Rick Carpenter's new promotional video for CNF4, clips taken from different events over the years. Well done Rick. It will be on the computer in the pilot lounge. Also saw Rick's Keystone COPA, light hearted video of putting tent and ropes up during C4k's setup day. Enjoyed by all.
